

Accessing the SAWP Library

The SAWP Library is a Google Site containing articles, handouts, and even e-books on teaching writing. It is a collaborative space, so you can add to it as well as mine it for gems.

Below are instructions for accessing the SAWP Library:

Step 1: Setting Up an Account

- A. You need a google account. If you don't have one, go to this web address <https://www.google.com/accounts/> and click "Create An Account" in the lower right. Follow the steps for setting up the account (and write down your username and password).
- B. Send your google username (which will be an email address) to me at llirvin@gmail.com so I can create an account for you in the SAWP Library.

See next page for continued instructions...

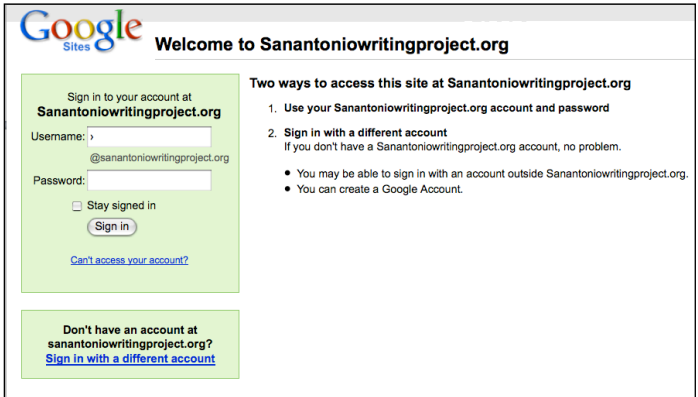

Step 2: Getting into the SAWP Library

IMPORTANT NOTE: This google site is part of a premium service google offers called “GoogleApps.” It is **different** than your regular google account. You **MUST** log out of your regular google account before accessing the SAWP Library.

A. Visit the following website

<https://sites.google.com/a/sanantoniowritingproject.org/library/>

B. Click the “Sign in with a different account” in the link at the bottom of the page. The screen shots below demonstrate the login.

<p>SAWP Google Apps Site</p> <p>--first go to the login page for a SAWP’s Google Apps site</p> <p>--you must have a Google account and you must have been invited to be a member</p>	<p>This site is different than the regular google.com site</p>  <p>Contact Lennie for access: llirvin@gmail.com</p>
<p>Log in</p> <p>DON'T try to use the top login fields.</p> <p>Click the link below to “Sign in with a different account”</p>
